

INDEX TO VOLUME XXXIX.

A

- Abdomen, Contusion of, with rupture of the, 282; Gunshot wound of the, 100; with perforation of the stomach, 1002; penetrating wounds of the, Treatment of, 356, 469.
- Abdominal muscles, Extensive subcutaneous laceration of, 979; wall, Approximation of the aponeurosis of, for the prevention and cure of hernia, 245; wounds, Closure of, 320.
- Actinomycosis of jaw, 459.
- Adrenal tumors, 299.
- Air-passages, Foreign body in the, 1019.
- ALLIS, OSCAR H., The treatment of fractures, 817.
- Amputation at ankle-joint, New osteoplastic method for, 790.
- Anæsthetics in children, Comparative value of, 814.
- ANDREWS, E. WYLLYS, The use of the McGraw elastic ligature in gastro-enterostomy, 145; Decapsulation for chronic nephritis, 617.
- Aneurisms, arteriovenous, Treatment of, 767; Traumatic, of the internal carotid artery, causing pulsating exophthalmos, 649.
- Animal cage for laboratory use in experimental surgery, 991.
- Ankle-joint amputation, New osteoplastic method of, 790.
- Anus, Rectum, and Pelvic Colon, Review of Tuttle on Diseases of, 631.
- Aponeuroses the supporting structures of the abdominal wall; their approximation for the prevention and cure of hernia, 245.
- Appendiceal abscess, Perforation of the urinary bladder by, 265.
- Appendicitis, Operation followed by intestinal obstruction, 584, 592; Operation for, followed by hernia, 128; with multiple severe complications, 132; with retrocolic abscess, 102.
- Appendicostomy for chronic ulcerative colitis, 268; for multiple papilloma of the colon, 269.
- Arm, crushing injuries of, Conservative surgery in, 462.
- Arteriovenous aneurisms, Treatment of, 767.
- Arthrotomy for irreducible subcoracoid dislocation, 591.
- ASHHURST, ASTLEY PASTON COOPER, Intestinal perforation in typhoid fever, 8.
- Asphyxia, Traumatic, 481.
- Asymmetry of the lower extremities, Apparatus for determining, 1032.
- Axillary artery, Rupture of, complicating fractured clavicle, 1111; vessels, Injuries to, during operations for carcinoma of breast, 757.

B

- BALLOCH, EDWARD A., Fibromata of the tunica vaginalis, 396.
- BARNARD, HAROLD L., Pulsating exophthalmos due to traumatic aneurism of the internal carotid artery, 649.
- BEACH, H. H. A., Traumatic asphyxia, 481.

- BECK, CARL, Costal and thoracic resection for pyothorax, 403.
- Bergmann, Bruns, and Mikulicz, System of Practical Surgery, translation; edited by W. T. Bull, Vol. i, Review of, 1042.
- BEVAN, ARTHUR DEAN, Interscapulothoracic amputations, 135; Use of the McGraw elastic ligature, 146; Polycystic kidney, 467; Hypernephroma, 468; Treatment of perforating wounds of abdomen, 470; decapsulation for chronic nephritis, Condemnation of, 629.
- BICKHAM, WARREN STONE, Treatment of arteriovenous aneurisms, 767; Text-book of Operative Surgery, Review of, 824.
- Bladder, Large fibrinous concretions removed from the, 256; Perforation of the, by an appendiceal abscess, 265; Vaginal incision of, for intravesical manipulations, 822.
- Bladder calculi following suprapubic prostatectomy, 436.
- BLAKE, JOSEPH A., The lymphatic constitution, 814; Operative relief of umbilical hernia, 1003; Effects of smokeless powder, 1006.
- Blood, The Clinical Pathology of the, Review of Ewing on, 155.
- Blood-pressure in surgery, 310.
- Bowels, Spontaneous gangrene of, from mesenteric occlusion, 554.
- Brachial plexus, Rupture of, complicating fractured clavicle, 1011; Rupture of, without fracture of clavicle, 1013.
- Brachydactylia, 453.
- Brain and Spinal Cord, The Anatomy of the, Review of Santee on, 317.
- Breast, Injuries to the axillary vessels during operations for carcinoma of the, 757.
- BREWER, GEORGE E., Gunshot wound of stomach, liver, and gall-bladder, 100; Retrocolic abscess from appendicitis, 102; Common duct stone without characteristic symptoms, 103; Common duct stone with acute septic cholangitis, 104; Strangulated inguinal and properitoneal hernia, 290; Epiphyseal separation at head of humerus, 291; Postoperative intestinal obstruction, 592; Traumatism of the kidney, 597; Perforating gunshot wound of the stomach, 1002; Umbilical hernia, 1005; Bright's disease, Surgical treatment of, 617.
- Bronchoscopy, 194.
- Bronchus, Foreign body in the, 1019.
- BROWN, F. TILDEN, Excision of knee for flexure ankylosis, 285; Case of traumatic strangulated inguinal hernia, 287; Aberrant adrenal growths, 299; Suprapubic partial prostatectomy, 808; Perineal galvanocautery prostatectomy, 809.
- C
- Cancer, The Nature and Origin of, Review of Feinberg on, 316.
- Carotid artery, internal, Traumatic aneurism of, causing pulsating exophthalmos, 649.
- Cervical meninges, Intradural tumor of, Removal, 934.
- CHAPMAN, W. LOUIS, Postoperative pneumonia, with experiments upon its pathogeny, 700.
- CHASE, HENRY MELVILLE, Operation in spinal cord injuries, 495.
- Cheek, Epithelioma of; Plastic for repair of defect left by removal of, 812.
- Chicago Surgical Society, Transactions of the, 131, 454, 617.

- Children, Comparative danger of various anæsthetics in, 815.
 Cholecystectomy, 240, 271, 279.
 Cholecystotomy, 107, 600.
 Clavicle, Fracture of, complicated by rupture of axillary artery and of brachial plexus, 1111.
 Cleft palate and harelip, 283.
 Cleft palate, Result after operation, 1029.
 COBB, FARRAR, Traumatic asphyxia, 481.
 COLEY, WILLIAM B., Traumatic hernia, 289; Partial enterocele, 297.
 Colitis, Chronic ulcerative, treated by appendicostomy, 268.
 Colon, Multiple papilloma of the, treated by appendicostomy, 269.
 Common duct stone without characteristic symptoms, 103; with acute septic cholangitis, 104.
 Costal and thoracic resection for pyothorax, 403.
 Crile on Blood-pressure in Surgery and the Treatment of Surgical Shock, Review of, 310.
 CUNNINGHAM, JR., JOHN H., Gastric dilatation and tetany, 527.
 CURTIS, B. FARQUHAR, Operations for hypospadias, 999; Radical cure of femoral hernia, 1015.
 CUSHING, HARVEY, Intradural tumor of the cervical meninges, 934.
- D**
- DA COSTA, Modern Surgery, Review of, 148.
